

# Ken Wood

Deputy Headteacher at Normanby Primary School teaching in Y3 this year.

**What are your activities and interests?**

In my spare time I like cooking, food, wine, films, gym and getting out on my motorbike.

**How long have you been on the Governing body?**

Since I became Deputy in 1995. OMG!

**Why did you become a Governor?**

As a senior leader in the school it is essential that I am on the Governing body so that I can deputise for the head when necessary.

**What's your favourite TV program or film and why?**

Coronation Street addict I'm afraid and British Superbikes or Moto GP is good to watch as I'd love to do a knee down on my bike! Favourite film is embarrassing... 'When Harry Met Sally' – I'm a sucker for a Rom Com!

**Whats your favourite savoury/sweet food?**

Mince & dumplings is a favourite followed by treacle sponge & custard. My mum's is still the best!

**Anything else to add?**

Just that I think the staff, children, parents and Governors at Normanby Primary School are the best anywhere and I love this school! We should all be very proud to be part of it.
