Amazing Work Blog - Thank you to Year 3 for their amazing work this week. They had a fantastic day at Segedunum Roman Fort consolidating their knowledge about the Romans. They participated in a workshop about life as a Roman soldier, practised marching, tried on armour and learnt an oath. They also explored the remains of the barracks and even sat on replica Roman toilets! Their work can be viewed along with the Pupil News at: <http://amazingworknps.blogspot.com/> or you can scan the QR code.

Nepal Earthquake Disaster—Thank you for your kind support in helping us raise £380.00 for our Bring-a-pound-Day for Nepal. Unfortunately, another major earthquake has occurred leaving many people homeless. Massive recovery efforts are underway to aid victims affected by the latest earthquake as well as continuing to help those affected by the earthquake last month. All the money received will help Unicef's relief efforts in Nepal. Our thoughts are with the Nepalese people who are suffering and also with those children and the local families and workers of RCDP, the Nepalese Charity Partner.

FS2 have been out and about this week visiting houses and looking at their difference features. They all had a fantastic day!
