

# 'Feelgood' Friday Newsletter

10th July 2015

**Y5 Children** have raised £201 for **Friends of Eston Hills** in their annual cake bake! The money will go towards conservation work on the Eston Hills. Thank you for your support.

We were presented with our **Food for Health Award** in assembly this week. Congratulations to all involved. This award means that the meals we offer children meet or exceed all current nutritional standards and that the school has high quality teaching regarding food and health education.

**Y5** took part in '**Show Racism the Red Card**' workshops on Thursday. They were even lucky enough to enjoy some fitness fun and football with ex-Middlesbrough footballer, Dean Gordon.

**Y2 Saltburn Trip**- The children enjoyed a lovely sunny day in the Valley Gardens, they had a ride on the Train and played in the park before enjoying chips and an ice-cream. To end the day, they headed to the beach to make sandcastles. The children behaved extremely well and had a fantastic day.

**Sports Day** - KS2 children will be required to come to school in their P.E kits for Sports Day but will need their uniform to change into. FS & KS1 children should come in school uniform and will change at lunch time. All children will be provided with their House team t-shirt to wear on the day. We will notify parents regarding inclement weather.

**Arrangements for Year 6** - Now that the majority of pupils have completed their transition activities, I would like to remind you of the arrangements for your child's final week at Normanby Primary. Monday: Sports Day, all morning -> Tuesday: Celebration Meal at Fellinis. Paid for by school and the PTFA -> Thursday: Leavers Assembly commencing at 6:00pm in the West Hall -> Friday: Children can bring a spare T-Shirt to school to sign if they wish.

Children will leave school at the normal time on Friday.

Class teachers for 2015/2016 - your child will bring home a letter this evening indicating their class teacher for the forthcoming year. Each year group will have three teachers, although some year groups will operate out of two classrooms. Year 4 and Year 5 are swapping teaching areas this year. The school has employed three teachers, they are Miss Young, Mrs Dunning and Mrs Dobson who has successfully completed her early years teaching degree course this year. Congratulations to her. As you are aware, Mrs Connor is leaving us at the end of this term. Mrs Rutter is also leaving to begin work at a school closer to her marital home. She has had a successful time with us in Year 5 and Year 2 and we are sure she will be an asset to her new school. The children will also work with specialist French, P.E. and Outdoor Education teachers during the forthcoming year. We will also be doing some new work with teachers from Nunthorpe Academy who will work with pupils from Year 5 and Year 6 during the course of next year. Thank you to all parents who returned their questionnaires which helped us to arrange the pupil groupings for next year.
