

'Feelgood' Friday Newsletter

3rd July 2015

Gill Connor is retiring after 25 years. We will be starting a collection for her from Monday, 6th July. If any parents or carers would like to contribute, could you please pass your contribution to the front office. Thank you.

Y3 Roman Day - The children had a fantastic day dressing up as Romans and decorating Shields and making Mosaic Patterns.

Y5/6 Music - In preparation for their music grade exams, some of our Y5 and Y6 children demonstrated their musical talents by training newly qualified teachers to use the garage band app. They demonstrated a wide variety of skills and 'wowed' the members of staff from other schools with their musical expertise!

Y5 Sisu Challenge - On Monday, 14 lucky challenge winners from Y5 were chosen to represent our school at the inspire to learn centre; showcasing our Work from the Sisu Challenge, an independence learning challenge design to promote resilience in the classroom and child lead learning.

Y1 Trussell Trust Donations - The food bought from the Year 1 sponsored Dance Off was collected from school on Tuesday, 30th June by Helen Wedges, Project Coordination for Redcar and Cleveland Food Banks. Tim Myer, a Trustee of the Trussell Trust said, "We never know what to expect when we pick things up from schools but this is a record breaker!" Thank you to everyone that sponsored the Year 1 children. Well done Year 1.

Y5 Cricket Tournament - On Monday, 29th June, we took part in a Y5 Cricket Tournament at Redcar Cricket Club. We entered 2 teams. One Team won their group and ending up finishing third out of ten teams. Our other side ended up finishing in a respectable place in their group. A very good day had by all. Well done to everyone involved. Mr Robinson.

Please do not bring dogs onto school site. We have had a few "doggy parcels" left on our premises which does not please the Caretaker!

Upcoming Events
