

# 'Feelgood' Friday Newsletter

11th September 2015

**EXCITING NEWS!** - We are very excited to launch 'Marvellous Me' across our school!

What is Marvellous Me?

**Experience your child's learning journey as it happens.** Marvellous Me tells you about your child's activities and achievements at school, and it's easy and safe to share with people that you choose.

**Enjoy great family conversations about school.** With Marvellous Me, you can easily practise research areas that your child has covered, to consolidate their learning, and celebrate their achievements.

**Improve your child's learning, behaviour and life skills.** Your child will do better when you show an interest in their school day, support their learning, praise their positive behaviours and connect with their teacher.

We will be launching Marvellous the day after each year groups welcome meeting!

**Sports Wish Tokens** - Please don't forget to keep collecting wish tokens!

**Punctuality** - The doors to school close at 9:00am, if you are late you should take your child to the main office where you will need to sign them in. Whilst our new reception children settle down into their new school routine, the Foundation Stage 2 doors will stay open until 9:05am. This will allow staff to speak briefly to parents during the first few weeks of term.
