Amazing Work Blog - Thank you to FS2 for their amazing work. This week they have been busy weighing the apples that have been collected from the school grounds. The children have used lots of fantastic mathematical language exploring heavier and lighter and seeing if they could get the scales to balance. Later in the week some of the children used apples to make delicious crumble for snack. Yummy! It was delicious! Their amazing work can be viewed at: <http://amazingworknps.blogspot.com/> or you can scan the QR code.
