

National Support School

Working in Partnership with Teesside University, University of Hull, Northumbria University, Newcastle University, Shape Training, Middlesbrough College, Prior Pursglove College and others.

We are currently working with a number of organisations as we help train new teachers and support staff. This work is always subject to trainees having both appropriate supervision, have passed our Safeguarding checks and having appropriate 'IT Acceptable Use' Policy.

As part of this work, trainees often observe children and trainees are observed by their mentors and our staff members.

Please contact the Head Teacher if you would like to discuss this further.
