Marvellous Mellors!

In school, Mellors make wonderful lunches for the children. The brilliant Danielle and the school cooks, plan the meals we eat in the west hall! For some special days like Christmas, Easter and Halloween we have some different meals made. The staff arrive really early at 6:00 am each day to start the cooking for us!

We even have Mini Mellors, which is where the children are invited to help prepare lunch with the staff from Mellors. On Tuesday 19th January Danielle, from Mini Mellors, visited school during assembly to tell us about the importance of breakfast. She told us that it is very important to eat breakfast because it gives us lots of fun energy. **SO MAKE SURE THAT EVERYONE IN YOUR HOUSE HAS BREAKFAST!**

"I liked it because it taught me that breakfast is important!" exclaimed Will, who's a pupil in Y5.

Clearly, the children enjoy the meals at school and like it when Danielle comes to visit us! We all need to make sure everyone has breakfast to keep energised! Thank you Danielle and the cooks for the wonderful meals!!
