

# 'Feelgood' Friday Newsletter

18th March 2016

**Amazing Work Blog** - Thank you to Y5 for their amazing work. In Y5, the children have been studying the life of Michael Morpurgo. They read biographies and autobiographies about his childhood, personal life and professional life and collected their own notes, which they used to write their own biographies about him. Their amazing work can be viewed at: <http://amazingworknps.blogspot.com/> or you can scan the QR code.

**Decorate an Easter Egg** - The School Council has decided that this year's theme is 'At the Movies'. Children should bring their eggs in on March 24th for the Student Council to judge. Additionally, they have requested that children **bring in a hard boiled egg** on this day to decorate in the theme of 'Animals'. Extra materials for decoration can be brought in from home if you wish.

**Year 2 - Puppet Making Session** - Year 2 have been designing and making pirate hand puppets this week. A big thank you to all the mums, dads, nanas, aunts and carers who came in on Tuesday and Thursday afternoon to help sew and decorate them. The puppets look great and the children had a fantastic time. Thank you!

**Y3/4 Dodgeball Competition** - Two teams from Years 3 & 4 entered the Redcar & Eston Sports Partnership Competition. A great day was had by all with both our teams finishing 1st and 2nd out of a possible 9 teams. Well done to you all!!!

**Y4 Scrapheap Challenge** - Year 4 took part in a Scrapheap Challenge Day at I2L last week. The team worked hard creating a space hotel. Back at school the children spent the morning creating the name and made advertisements for it. You can read about their day and see their amazing work on the I2L Blog 'http://inspire2learnblog.com/2016/03/11/what-did-we-do-so-right/'. Andrew Pigeon, an engineer from Jacobs had previously been to visit Year 4 and worked with the children at I2L creating our hotel using their ideas. He was so impressed with the children's skill and perseverance that he wants to come back into school to work with our children again in the summer term. Well done to all children who took part!
