## Sport Relief!

On Friday 18<sup>th</sup> March, the children participated in Sport Relief to raise money for vulnerable children in the UK and countries around the world.

To raise money for this worthy charity, the children had to each run a mile which was calculated in laps around the playground. On the FS2/Y1 playground the children had to do 22 laps, on the 2/3/5 playground they had to do 20 laps and on the 4/6 playground they had to do 15 laps! The children all had a fun time running the laps with their friends and teachers! Mr Faulkner surprised the children in assembly by arranging for a drone to fly over the playgrounds to get some aerial footage!

"It was really fun, but I found it a bit hard - I had to do 15 laps!" explained Scarlet Harding-Hall, who is a pupil in Y2.

Clearly, the children have enjoyed running the mile and have raised lots of money for Sport Relief.
