

'Feelgood' Friday Newsletter

15th April 2016

Y2 Science Activities with Parents - On Thursday, Year 2 had a science afternoon supported by parents and carers. The children learnt about things which are living, non-living and also things that were once living. We would like to thank every adult that came in to school to aid our children's learning and understanding and we hope they had as much fun as the children did.

FS Development of Outdoor Area (Parents Invited) - Thank you to all the parents and carers who gave up their time to come and help us re-vamp the FS outdoor area. They have helped to create a 'construction area', a 'mud Kitchen', a 'road' in the mulch pit and relined the veg boxes amongst other amazing work - special thanks to CBJ Construction for donating a member of staff to help us! Work is still to be done and more dates are to follow - please keep an eye out for more details soon.

Y5 Orienteering Competition - 30 children from Year 5 participated in the competition at Errington Woods. It was the first time we have ever entered into a competition of this kind and with only 1 weeks preparation they finished a creditable 3rd. 2 of our children received the fastest completion time of all the schools entered. This was a good learning curve and we are already looking forward to next years competition! Well done to you all!

Staff Changes - Mrs Greenmon and Mrs Miller are now working in Year 2 and Mrs Allamby is in Year 1. The children and staff have settled back in and have had a great week!

Can you please ensure that your children **do not** use any of the 'wooden play equipment' at the start/end of the school day please. Mr Faulkner

Sport Relief - Thank for your kind donations so far for Sports Relief. The last date you can make your payment via ParentPay will be Friday, 22nd April.

Thank you for your support at our recent **Book Fair**. We raised £402.38 and 60% of this will come back into school in the form of books for your children to enjoy!

School Allotments - We've been busy preparing our allotment over the Winter months and we're hoping to get more willing volunteers involved in our gardening activities as the weather improves. If you have any spare seeds, please get sowing and join us in the Summer term for some fun gardening activities to help enhance our school grounds. Big Dig dates to follow.
