

Sunflower Nursery

Session Times
8.40-11.40am
or
12.25-3.25pm

Summer Term Newsletter

19th April 2016

Sunflower Nursery is now open for both morning and afternoon sessions. Thank you to everyone who has changed their child's session time to allow us to open for a full day. Welcome to our new children! Your child will be assigned to a key person who will support you and child.

Things to remember as summer is on its way!

- Water bottle (please ensure that it is only filled with plain water)
- School book bag
- Home school book
- Appropriate coat/sun hat
- Sun cream

Your child does not need any other bag at school other than their school bag. If your child requires nappies/wipes, please bring a small supply to school each Monday and we will store them in our changing unit. We will let you know when we require more.

Please speak to a member of staff if you have any concerns or questions. We have a child well-being practitioner who works part-time in school. She is available to support families throughout their time in school.

If you would like to discuss the progress that your child has made a 5 minute appointment will be available from Monday 25th April with Mrs Cameron. There will be a list of available day/time slots for you to sign up to in nursery.

A big BIG thank you to all of you who helped us last week in our outdoor area. We couldn't have done it without you!

Drop –in session

If you have any questions or concerns we have a weekly drop-in session each Monday between 3.45-4.15pm.

Busy, happy children!

Dates for your diary

May Bank holiday
Monday 2nd May

Break up for half term
Friday 27th May

Back to school
Monday 6th June

Break up for Summer
Wednesday 20th July

Back to school
Monday 5th September

Summer Term Focus:

Your child will have a day packed full of fun activities and play! Play is essential for children's development, building their confidence as they learn to explore, to think about problems and relate to others.

The children will be given opportunities to lead their own play and take part in play, which is guided by adults.

Personal, Social and Emotional Development

- To be interested in others' play and make new friends. Explore new situations and environments and begin to cooperate with routines and boundaries.

Communication and Language

- To listen to others and understand and use new words, questions and sentences.

Physical Development

- To show increasing control in holding equipment. To increase independence in self-care activities such as feeding, dressing and toileting.

Topics/themes:

Traditional stories
Growing – seeds, plants, flowers
Colours

You will be invited to come to our Spring Café where you can enjoy delicious cakes and a cuppa. There will also be a raffle and a variety of games for you and your child to take part in.

Our Big Toddle raises money for the Barnado's Charity through your child being sponsored by friends and family. We dress up and 'toddle' up onto our field and have fun! The theme is animals this year!

You will be invited to stay and play in nursery with your child and have fun on Friday 15th July.

We are planning to visit a farm – details to follow.

Foundation Stage Events
