## 20th May 2016

**Amazing Work Blog** - Thank you to Y3 for their amazing work. Year 3 have been carrying out lots of research about the Romans this term. This has involved researching Roman soldiers, looking at what the Romans did for entertainment and leisure activities, Roman Gods and Goddesses and finding out about why the Romans invaded Britain. We have also been reading the story about Romulus and Remus in English lessons and the children have written some excellent character descriptions using amazing adjectives and super similes. One homework task was to create a Roman mosaic which have been displayed in our Year 3 area. Their amazing work can be viewed at: <http://amazingworknps.blogspot.com/> or you can scan the QR code.

**Little Princess Trust** - Two of our children have decided that they wanted to do something to help out a charity. Neave (9) & Poppy (6) have been growing their hair and plan to get it cut from their bottoms to their shoulders to donate to the Little Princess Trust who make wigs for children with cancer. If you would like to support them, any donation would be gratefully appreciated as the girls are looking forward to raising money for this amazing charity, please bring your loose change/donation to the Main Office and we will ensure it reaches their parent. Thank you to everyone in advance who donate.
