

Tag Rugby Triumph!

On Thursday 22nd September, Normanby Primary School's Year five and six team competed in the Redcar and Cleveland Tag Rugby Tournament at Hills View Academy (Eston). The event saw Normanby's three teams battle it out against twelve other schools from the area. The games consisted of two, four minute halves. Each team had to field at least three girls and four boys.

Earlier this week, the Normanby News team spoke with Mr. Robinson. He quoted that

"Compared to previous years, this team were very brave and got stuck in". Confidently Mr. Robinson shrugged off laughs from his fellow staff members claiming

"I'd already printed off the Tees Valley final invitations before we'd even played in the first round".

The Normanby News team also caught up with one of the stand out stars from the team, the year six student (pictured right), had stated that he was 'absolutely buzzing' when asked how it felt when finding out they had qualified to the Tees Valley Tag Rugby Finals.

Ryedale Rationing!

In other news, last week year six visited Ryedale Folk Museum. The Normanby News team spoke with Mrs. Conroy about their experience. She told Normanby News that 'when we arrived at Hutton-le-Hole all the children (and staff) were dressed as evacuees'. The children were then placed into groups and participated in a variety of activities such as: a crash course in rationing, creating sweet packets and baking of potato cakes, however it was the sweet shop which was most popular.

How well do you know... Mrs Musgrave

What is your favourite food? **Mexican food.**

What is your favourite sport? **Football, cycling and snow-boarding!**

What do you like about reception?

Seeing the children learn and working with my team.

Why did you want to teach at Normanby Primary?

It looked a nice place to work and learn a lot as a teacher.

What do you like doing in your spare time?

Cycle, go out with friends and go on holiday.
