Super Swimmers!

Over the past week, Year 1 have been attending swimming sessions every afternoon. The three groups (setting off at 12:30, 1 and 2 o'clock) have been travelling to the Rainbow Centre (Coulby Newham) with a variety of KS1 teachers and teaching assistants. The pupils, have been learning different swimming techniques as well as water safety. After speaking with Miss Young and Mrs Allamby, they told the Normanby News team that "The children had been very confident in the water."

Later that day, our reporters also spoke with a pupil from Year 1 and had asked them what was their favourite part of the swimming sessions:

"My favourite part was learning to swim backwards. Jumping in was also fun!" quoted the enthusiastic Year 1 pupil.

Development Day

This week, several Year 5 students were chosen to represent Normanby in a developmental volleyball session at Eston Leisure Centre. The pupils had never taken part before (or had very little experience) and according to Mr. Robinson they were

"Ten out of ten, for attitude and effort".

The developmental day also included ten other schools from across the Redcar and Cleveland area.

How well do you know? Mrs. Dunning

What has been your favourite school trip since joining Normanby?

The Year 5 London Trip.

What would be your dream car?

It would have to be a shiny red one that could fit my children in!

What is your favourite sport?

I really enjoy running (recently ran the Great North Run).

What do you like to do in your spare time?

Running and playing/spending time with my three little boys of course!
