Walk through the new entrance from Flatts Lane and down the path to Nursery.

The gate will be unlocked between 8:40 - 8:55 and at 11:30 until the end of the session.

Our new cloakroom for your child to put their coat, school bag and water bottle.

If you need to collect your child during the Nursery session or are late to collect your child please go to the school office.

8:40a.m

Session time:

11:40a.m

Please bring your child to Nursery before taking KS1/KS2 siblings to their classroom.

The gate will be unlocked at 11:30.

There will be a member of staff outside the nursery entrance before the session starts and at the end of the session. If you would like to ask a question or pass on a message please speak with the member of staff that is outside rather than the staff member who is at the internal door.

Please support your child with their coat and belongings in the cloakroom as quickly as possible. If the cloakroom area is busy please be patient and wait outside until there is space.

Thank you for your co-operation.
