

Festive Fun At Normanby

Last week, on Thursday November 24th, Normanby hosted their annual Christmas Fayre. A big thanks to Mrs Callaghan and everyone who helped out with the all the festive fun. An estimated £1,200 was raised over the course of the evening. In total the fayre consisted of twenty eight stalls, including many of the regular favourites such as: hook-a-duck, ping pong, tombola and Normanby's very special visitor - Father Christmas! The Normanby News team spoke earlier this week with Mrs Callaghan. She kindly stated that:

'The Father Christmas stall was a very popular place to be on the night!'

Gymnastics

Following last week's winning performances, the Normanby gymnastics team have been grabbing headlines again. This week's competition was hosted at Middlesbrough College and took place on Wednesday the 30th of November. Twelve other schools were involved in this local event which saw the Normanby gymnastic team produce a range of fantastic performances earning them a 5th placed position within the competition. Speaking with one of the gymnasts from Year 6 she quoted that:

'We did very well and we should be very proud of ourselves'.

Mrs Bryson also added that:

'It is extremely daunting to stand up and perform in front of an audience. The children all performed to the best of their ability'. (Some of the gymnastics team pictured above and right).

Puppy Power

This is a story created by a pupil from Y3! Say hello to Mac. Mac is a seven month old guide dog puppy, he is a cross between a German Shepherd and a Retriever. Mac is a very special dog, as he will stay with our Y3 student until he is 14 months old. He is training to be a guide dog and as part of his training Mac attends a very important dog training school. Hopefully in the near future, Mac will be coming into Normanby very soon! Our Y3 student added that you can keep an eye out for Mac as he is taken to the shops, on a train, to a bowling alley... or pretty much anywhere! Keep a lookout for Mac!
