

Musical Maestros

Since September, a handful of Y3 students have been part of a very unique club. These musical maestros have been learning to play the recorder. Last week these talented musicians even had the opportunity to perform exclusively to Mr Faulkner. He told Normanby News that the performance was:

'Amazing and these students had a large amount of talent'.

In addition, the children had told Normanby News that many had their own recorders at home but they couldn't wait to get to school and play them. Keep up the good work Y3!

Festive Fun

On the 7th of December, Year 3 performed their Christingle performance in front of a packed out crowd at Normanby Methodist Church. The whole year group took part in the performance which included some excellent readers and astonishing soloists. Within the action packed performance, the children also sang Merry Christmas whilst acting it out in Makaton Sign. The children were accompanied by Mrs Armstrong, Mrs Dunning, Miss Lawler, Mrs Sudron, Mrs Gaffney and Miss Levitt. In the festive spirit Mrs Armstrong told Normanby News that:

'The children had put in a large amount of effort for this performance and a personal highlight for myself and the children was singing 'My Favourite Time Of Year'.

Many parents had also commented on how impressed they were with the display from the children and were thankful to the staff including Mr Nixon who has practiced with them over the past few weeks! Well done Y3!

How well do you know? Mrs Jemmerson

What is your favourite food?

Sunday dinner or a bacon sandwich.

What is your favourite part of Christmas?

My favourite moment is spending time with my family watching my son open his presents.

Most embarrassing moment?

When my chair collapsed on me in front of the children!

Favourite part of teaching?

Coming in to see the children and seeing their personality develop.
