

## Comic Con Saves The Day!

Several weeks ago, Mrs Foden and the Normanby Comic Club decided that they were to create an entire day with the theme of comics and superheroes. This whole school event took centre stage on Friday, February 10th. The entire school made a fantastic effort by dressing up in fancy dress in their masses. A fun filled schedule included children from across the school meeting a variety of interesting visitors to our school. Normanby students were stunned by the talents of the several comic artists who visited the school as well as a special visit from a Stormtrooper, Spiderman and Batman. After speaking with the Comic Club boys (from Y5) they all collectively agreed that the entire day was a huge success. The Normanby News team also asked Mrs Foden who she thought was the best dressed person in which she replied:

'Personally I would say myself, although Mr Wood as the Joker was a big success!'
