

'Feelgood' Friday Newsletter

10th February 2017

Comic Con Day - Nigel Dobbyn visited school and did a whole school assembly where he demonstrated how to draw a superhero (projected live onto the screen). He then did a workshop for 30 children. At the end of the session the children all contributed ideas and Nigel drew a superhero called Ironstone (pictured above) to represent our school. It was fab!

Wish token winner - The pupil who collected the most wish tokens for the school was Amelia Applegarth. Well done to you and thank you to all children/parents and carers who collected the wish tokens on our behalf - we appreciate your support.

Normanby's Got Talent - Letters have been sent home today to inform the children if they have been successful at Boot Camp and whether they will progress to the Final. The Final will be held on Thursday, 23rd February at 6:00pm Tickets will be on sale as of Monday, 20th February. Y5/6 Glee Club will be performing on the night along with the chosen finalists. Good luck to you all!

Maths Day - Last Friday, the whole school was involved in Number Day. All the children had a wonderful day taking part in practical Maths activities and investigations. At the end of the day, everyone came together in assembly to share the wonderful Homework Challenges that children across school took part in. From giant potatoes to extremely long shoes, the effort from all of the children was fantastic and Mrs Brailisford was very impressed. Thank you to all those who took part and supported their children and for the donations to the NSPCC.

Y5/6 Tees Valley Basketball Competition - On Thursday, we took our 6 children who had previously won the Redcar & Eston Cluster Basketball event headed to Middlesbrough College to compete in the Tees Valley Finals. The competition was a massive success which ended up with Normanby winning the 'Plate' out of a possible 16 schools. The last two years we have been beaten on a 'sudden death shoot-out' and this time the roles were reversed and we brought home the gold medals - well done to all who participated throughout the Basketball campaign!

Safer Internet Day 2017 - Saying thank you to the parents for filling in their family agreements from Safer Internet day and that the children took part in many different activities to promote being a good digital citizen. Can you also say a big thank you to Mrs Mullen and Hollie from Darlington's Building Society for delivering workshops on the day to Y4 and Y5.

Sainbury's Active Kids 2017 - We are collecting Active Kids vouchers to exchange for sports and cooking equipment. Please hand your vouchers to the Main Office or your Year Group Teachers. Thank you for your support.

Head Lice - We have had recurring cases of Head Lice recently and the advice from our School Nurse is to ensure that you repeat the treatment as the eggs may continue to hatch after the first treatment. Alternatively, a fine toothed comb and conditioner combed through sections of hair works well.

Parking around school - We have been informed that the Traffic Wardens will be on site in the first week back to school, therefore we ask that you park considerately around the school site for the safety of yourselves and others.

Upcoming Events

- Y4 Bikeability (Group 5) - Monday, 20th February
