

'Feelgood' Friday Newsletter

3rd February 2017

Y1 Bring a Toy Day - The Year 1 children had a very successful Toy Day on Wednesday 1st February. They all brought in lots of different games, which they enjoyed playing with their friends and parents/carers. They showcased their chopping and cutting skills that they have been learning in the Master Chef café, to produce tasty fruit pots for everyone to taste. Thank you to everyone that came there was lots of positive comments from those who attended.

Comic Con Day - Children can dress up as any character from any comic including superhero's, Beano etc. Alternatively you can make your own superhero costume (cape/ mask). Prizes will be given to the best dressed in our Comic Con Costume parade.

Normanby's Got Talent - After our first successful Bootcamp we have high hopes for the children at our **2nd Bootcamp** which is being held this afternoon. Good luck to all of our participants.

The Main gated access into school will be closed, whilst the pathway is repaired, as of next week for a small period of time.

Mrs McCollum will be on the front yard every morning if you have any quick queries or issues, which she will endeavour to help you with and if your child has any worries or concerns, we have created an email address for pupils to use. The email address is **help@normanby.org.uk** and is in use now and all concerns will be directed to our Safeguarding Team.

Safer Internet Day 2017 - Normanby Primary School and Ironstone Academy Trust are supporting Safer Internet Day 2017. We are joining the global Safer Internet Day campaign to promote the safe and responsible use of technology. Coordinated in the UK by the UK Safer Internet Centre, Safer Internet Day will take place on Tuesday 7th February 2016 with the theme 'Be the change: Unite for a better internet'. Celebrated in over 100 countries, Safer Internet Day will see Normanby Primary School join hundreds of organisations right across the UK and globally to 'be the change' and help create a better internet. To celebrate the day, Normanby Primary pupils and staff are taking part in many different activities that promote good digital citizenship and leaving a clean digital footprint. In particular, looking at the 'Power of Image' and what online images can say about you. As part of a homework challenge, children and parents are joining forces to produce a 'Family Agreement' discussing how to behave in a positive way online. This nationwide day of action can be followed on the @NormanbyPrimary twitter which involves the #SID2017 social media campaign where pupils will have the opportunity to have their say about the digital issues that affect them.

Change4Life - On Wednesday, the children had a Change4Life assembly where they learnt how they can scan barcodes on food products to see the sugar, saturated fat and salt content on a traffic light system using the Food Smart app. The website and app, which can be easily downloaded, encourages children (and adults) to make smart food swaps in a bid for a healthier lifestyle. Download the app on your smartphone or tablet - your child (and you) will have fun scanning and the results are really interesting.

| | Ava Carter |
| | Jessica Walker |

Y5/6 Premier League Football Festival

On Friday, we travelled to Hurworth, the home of MFC training facilities where our Year 5/6 football team competed for a place at Chelsea's Head Quarters for the final part of this competition. The boys were amazing all day and were eventually beaten with the last kick of the game in the semi final against St. Patricks who went on to be the eventual winners on the day. A fantastic day for our children as Mr Robinson organised for a personal visit from his friend 'George Friend', Boro defender, who came and had photos with everyone and a quick Q&A session with them.

Y2 Gym Showcase

Y2 children have been practising for the Gym Showcase which they performed for their parents and carers on Wednesday. They all made up their own routines and were very nervous about performing in front of so many people. They were amazing on the day and exceeded their own expectations. Well done to you all!

Y3/4 Change for Life Day

7 of our children from Year 3 & Year 4 attended Change4Life day at Eston Leisure Centre where the children performed various sports which will help them to understand why it is important to stay healthy and fit. The children really bought into this day and seemed as if they wanted to carry out these activities out of school hours.

Y5/6 Girls Football Competition

We entered 2 teams into the School Sports Partnership competition at Eston Leisure Centre. Both teams performed amazingly on a very windy day. One of our teams finished in 4th place while the other side were the eventual winners and will now go onto the Tees Valley Finals at Eastbourne Sports Complex at Darlington on the 2nd March. Well done to everyone involved. Mr Robinson and Mrs Bryson.

Basketball after school club on Monday is now finished for the term. Please ensure your child is collected at the end of the school day as normal.

PTFA Meeting - If you would like to join our PTFA (Parents, Teachers, Friends Association), we will be meeting on Monday, 20th February in the Stapylton Arms at 6:00pm. We welcome any help/support with events to raise money for our school. All are welcome!
