Football Frenzy

Last week, Normanby were lucky enough to partake in two prestigious footballing events in the area.

Firstly, our Y5/6 girls battled hard and reached the final although they just missed out on the winner's spot. 10 talented players were selected (one team) and despite just missing out the girls had a fantastic day at Hurworth on some of the best playing conditions in the North East! One player from Y5 stated that she had an amazing day and that:

'The best bit was playing in the final!'

Next, was the Y3/4 football tournament that had taken place on Friday the 3rd of March on the afternoon and the matches had been played at the Eston Leisure Centre astro-turf pitches. During tough weather conditions, the three teams that had been selected to go showed great enthusiasm and character throughout the afternoon according to Miss Lillystone. Despite the weather, Normanby clinched the top spot and all three teams had shown great passion. One of the star players commented that:

'The whole day was fantastic even if the weather wasn't!'

See below for our fantastic footballers... Well to everyone!

How well do you know? Miss Brooks

Favourite part of Year 1?

The topics we teach and most importantly watching the children grow!

What do you like doing in your spare time?

Dancing, exercising, listening to music and TV.

Why did you want to work at Normanby?

Heard many good things about Normanby so I wanted to try it out.

Favourite food?

Steak and Chips

Dream car?

A red Ferrari of course.

Miss Brooks with some of our Normanby News pupils (right).
