

'Feelgood' Friday Newsletter

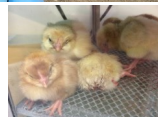

28th April 2017

FS2 Big Sheep Little Cow Farm - FS2 had the most fantastic day at Big Sheep Little Cow Farm! The children were able to see and hold lots of different animals and even wash Mabel the pig! There was lots of giggling on the barrel ride which was very bumpy. The play barn was amazing- the children (and staff) had so much fun on the big slides, we just didn't want to come home! FS will now be raffling a family ticket to Big Sheep Little Cow Farm (for 5 people). The tickets will be 50p a strip and available from FS staff and at the Easter Café.

Y3 Chicks - We are very 'egg-cited' to have received the chicks this week and are pleased that all 10 eggs have hatched! Mrs Dunning, Mrs Armstrong and Miss Bottomley are very proud Mother Hens. Their names are - Martha, Doris, Ethel, Clara, Betty, Norma, Bruce, Horace, Walter and Ralph.

Horace the Great Dane - School has had a visit from Horace the Great Dane today. Horace works with Pets As Therapy Read2Dogs, a programme that helps encourage children to read. Horace will be coming into school to visit some of our Y3 children on a regular basis. We hope he enjoys our children's reading as much as do!

House Colour Competition - After gathering the results from the Intra house sports last term, the Orange team were winners on this occasion. Well done to everyone who helped put points on the board for their team. Mrs Bryson & Mr Robinson.

Y5 Table Tennis - We took two teams to Swerve Table Tennis Club in Middlesbrough to compete in the Redcar & Eston Cluster competition. The standard on the day was very high with our girls team taking the bronze medals. Both teams improved as the day went on and I'm sure our Year 5's will have gained valuable experience for next year.

Community Health Fayre - The school will be having a Community Health Fayre on Tuesday 16th May. The Fayre starts at 2:00pm and you can collect your child from their classroom. There will be a selection of different activities and stalls with healthy foods to try (smoothies, fruit kebabs). There will also be representatives from local groups and health agencies who will be providing you with information about local and national activities for adults and children.

Greenpower Group - Greenpower Group are needing someone to help out with the transport of our Greenpower car to Gateshead on June 13th and Croft on June 28th. We require a transit van to transport our car. If anyone can help could you contact school on 01642 469529 as soon as possible please..

Parking - When parking in and around school (Oakfields Court area), can parents and carers please ensure they do not block the pathways and park responsibly around the local area.

Mrs Herlingshaw - During the forthcoming term Mrs Herlingshaw will have a planned absence from school. We expect that Mrs Herlingshaw will return to school before the Summer Break. Planned events for her class will remain unchanged, including arrangements for End of Year Reports and Open Evenings.

I am happy to meet with individual parents if they have any concerns regarding this matter.

Mr Carl Faulkner, Head Teacher
