Eston Hills Hike

This term, Y5 have been researching Eston's local history around the discovery of ironstone which was found many years ago in the Eston Hills. Luckily, two trips were organized and led by Craig Hornby (Friend's of Eston Hills) and assisted by his dog Meg who guided the students and staff around many fascinating sites. The two visits took place on Tuesday May 2nd and Thursday May 4th. Normanby News spoke with several of the Y5 students who were extremely tired as they had walked a whopping 8.3 miles throughout the day, however they stated that:

'We really enjoyed the walk up Eston Hills and more importantly learning about the local history of ironstone'.

Our Very Own Picasso's

Last week at Tuned In (Redcar), two students from Normanby (from Y4 and Y5) received two very important awards for their excellent art work based around themselves. The event was organized by the local authorities. Amazingly, one student from Y5 won the award for her excellent art work based around herself and the runner up was also a Normanby student from Y4, who had written a poem based upon his everyday life and family. The pair both received shopping vouchers and were beaming with pride throughout the evening. Miss Young who attended the awards ceremony stated that:

'Both entries were amazing and I couldn't be more proud of what these two students had achieved'.

How well do you know? Miss Oliver

What's your most embarrassing moment as a teacher?

[Singing karaoke in assembly!](#)

What are you currently teaching in Y1?

[Traditional tales](#)

Favourite food and drink?

[Pizza and coffee](#)

Favourite subject to teach?

[Science](#)

Favourite holiday in the past?

[When I travelled from the top of America to the bottom by car.](#)
