Rise Of The Eco Club!

In recent weeks, the Eco Club with help from students across KS1 and KS2 and is currently being managed by Mrs Tyerman. The Eco club has been created to help raise awareness within Normanby about key environmental issues. The group have been discussing how can they make changes to help our environment and Earth! The Eco club told Normanby News that they have created a chart to help save energy across the school. The club meet regularly on a Thursday and have big plans for the future! The club also created a poster competition for all the children at Normanby to enter. The winner's design was selected and they also received a £10 gift voucher to spend at WHSmiths. Well done!

Silver Star Netballers

Last Wednesday, the Normanby netball team finished joint second in a competition held at the Eston Leisure Centre. The team had worked very hard and shown a great team spirit to help one another. Normanby News spoke to the star netballer of the day who said:

'We had a great day, I absolutely loved it!'

Normanby battled bravely against some other great sporting school in the area such as: Zetland, Wheatlands and St.Benedicts...

Well done to the Netballers, another great performance!

How well do you know? Mrs Herlingshaw

Favourite Sport?

At school I loved playing netball!

Most embarrassing moment?

When my earpiece blew on stage at the Sage in front of 3,000 people!

Favourite takeaway?

Chinese from Saigon's!

Any hidden talents?

I love dressing up as a princess especially Cinderella!
