

'Feelgood' Friday Newsletter

23rd June 2017

Y1 Saltholme Trip Group 1 - The first group of Y1 children to visit Saltholme had a fantastic time! We went pond dipping to identify mini beasts and looked at different kinds of beautiful plants. The children loved making a green cocktail of plants! Our group leaders, Izzy and Jenny taught us lots about the preservation of wildlife. The children's behaviour was impeccable and we had lots of positive comments from the public about our manners. We are looking forward to another great day on Tuesday with group 2.

FS2 Walk to children's houses - FS2 children had a fantastic time walking to houses in the local area. The children have done some brilliant writing about their walk since we got back. A big thank you to everyone who welcomed us into their homes - we were very spoilt with treats!

Tees Valley School Games Athletics Finals - On the 21st and 22nd June the Tees Valley School Games Finals took place. These finals were for teams that had won their local cluster events and then partnership events. Incredibly our school had qualified for Athletics, Tennis, Tri-golf and Hockey! This meant children were now competing for the Redcar and Eston Partnership against other partnerships in the Tees Valley. Our team of eight Y4 children managed to finish an excellent 5th in the tennis and ten Y6 children came 4th in Tri-Golf. In the athletics, Redcar and Eston finished 7th over all and from our school we had some individual medals, Noah Payne and Ruby Cook won Gold in the howler throw and Toby Rudge won the Silver medal in the triple jump. The Hockey was held at Egglecliffe School. Well done to all children who managed to reach the School Games Finals, it is a huge achievement and we are all very proud of you!

Y5 Mining Showcase - The Year 5 Mining showcase was well attended by Year 5 families. The children enjoyed sharing their work and parents and carers were fantastic helping the children build their bridges to a strict criteria and budget. Well done and thank you.

Y4 Class Assembly - Mrs Herlingshaw's class, currently being taught by Mr Wood and Mrs Pink, presented their assembly all about what they have learned in their RIVERS project and recent visit to the river Tees. They all performed extremely well!

Help for Heroes - The Help for Heroes Concert is taking place at school on Thursday 29th June. Doors open at 5:30pm ready for the event to commence at 6:30pm. Tickets are still available to order from the school office.

Readathon mission - On Wednesday 5th July children will participate in a sponsored readathon- 'Reading to help children in hospital'. This will also be done through transition so the children will be able to share and read their favourite books with their current and new class teacher. They will receive a sponsor form prior to the event. Please read your socks off, and ask as many sponsors as you can, you're doing something wonderful. For more info visit reading@readathon.org

UPCOMING EVENTS
