

# 'Feelgood' Friday Newsletter

15th September 2017

## Welcome back!

We trust that you have had an enjoyable summer break. It was lovely to welcome the children back to school last week. The children have settled into their new classrooms nicely.

**Drop In Sessions** - Each year group has a weekly 'Drop in' session where you can meet with a member of staff from your child's Year Group. If you have a specific query it would be helpful to telephone school in advance; appointments are not necessary. Drop in sessions for all Year Groups are held weekly between 3:15 and 4:00pm.

**Welcome Meetings** - If you were unable to attend the meeting, a copy of the presentations will be available on the website at some point next week and you are able to discuss this at the following 'drop in' session if you wish.

**Woodland Centre** - Last Thursday, our Year 2 children enjoyed a walk up to the Woodland Centre to link in with their English story 'Into the Forest' and their Science research of materials. The children looked for natural and man-made materials and they were brought back to school to support their learning this week. They also discovered lots of fairytale pictures on the trees from the story in their English lessons. It was a great afternoon and everyone enjoyed it.

**Gold Award** - We are delighted to have received Gold level in the Primary Science Quality Mark. The award highlights the fantastic work and activities that happen in school and the opportunities offered to our children. We are very proud of this achievement.

**Jeans for Genes day** - On Friday 29th September we will be supporting Jeans for Genes day. Children are asked to come to school in jeans and bring a £1 donation.

**Brownies** - Brownies will be starting on Tuesday 19th September from 6-7:30pm. There are 12 places available for children aged 7-10 years old. This is a first come first served basis. If you are interested in joining then contact Brownies on **01642 452503** or email **mrs mags@mac.com**.
