## Great Greek Vases!

Two weeks ago, (in Year 5) the children created their own Ancient Greek vases. The children have been studying the topic recently in both their writing, DT and art work. The Normanby News Team (including many new members) interviewed a few of the Year 5 children.

They quoted: "I liked that it was big and had lots of storage available." Another child also stated: "I would have preferred a wider range of materials such as gems and more varieties of paint."

The student had aimed for the shape of a 'Pelike' (a very tricky design shape) and had created the theme of Aesop's Ancient Greek Fables. This week Y5 attended 'Great' Greek restaurant in Middlesbrough as part of their Greek Day visit which is owned by Middlesbrough FC Goalkeeper Dimi Konstantopoulos.

## Tag Rugby Triumph Reign Continues...

On the 29th of October, the Y5 and Y6 students participated in the annual Tag Rugby competition, held at Hillsview Academy in which three teams entered from NPS (two in a competitive league and one in a friendly league). Once again Normanby showed great determination placing 1st, 2nd and 3rd. Well done to all of our Tag-Rugby stars again!

## How well do you know Mr Wilson?

What's the best thing about Y3?

I love my new class and I really enjoy working with Miss Lawler and Mrs Tyerman.

What are your hobbies?

I love walking and being outdoors. My favourite place to walk is the Lake District. I also enjoy playing hockey... Years ago I used to play hockey for England!

What are Year 3 learning about this term?

We are currently learning all about Brazil - what life is like, it's weather and if there are any similarities and differences between the Brazilian way of life and ours.
