Year 5 'Great' Greek Restaurant - On Monday 9th October Year 5 participated in their annual Ancient Greek Day, which involved a morning consisting of Parthenon building as well as Ancient Greek research and enjoying Greek music. In the afternoon, the staff and children travelled to 'GREAT' Greek Restaurant (Linthorpe Road, Middlesbrough) where the children enjoyed fine Greek cuisine as well as meeting the Middlesbrough goalkeeper Dimi Konstantopoulos. The staff and children were star struck and thoroughly enjoyed the entire day! Can't wait to do it again next year!

Y5/Y6 Tag Rugby Partnership Finals - Our two qualifying teams travelled to Redcar Rugby Club to compete in the finals and came home triumphant! Our winning team will now compete at Middlesbrough College on the 2nd November at the Tees Valley Finals - well done everyone!

Miss Armstrong's Class Assembly - Miss Armstrong's class assembly explained lots of interesting facts and information about the Great Fire of London. The children have worked so hard learning all about the Great Fire and produced a fantastic assembly. They shared information about their visit to Grangetown Fire Station and why fire safety is so important. The children decided for themselves that having actions to their song would make it more interesting for the audience. Thank you to all parents, carers and family members who came to school to watch the assembly this morning.

Science Selfie Competition - Why not take part in Mrs Dunning's science selfie competition? Children need to take a selfie doing something scientific (walking in the woods, making slime, looking at the stars, cooking). Then email or hand their photo's into Mrs Dunning with a description of what they are doing and how it relates to science. Mrs Dunning's email is - rnpcdunning@normanby.org.uk
