

- WELCOME - BACK TO SCHOOL

'Feelgood' Friday Newsletter

12th January 2018

Y5/Y6 Basketball Competition - An absolute phenomenal start to the year saw our Year 5 and 6 basketball team compete down at Eston. Team white won the competition out of a possible 20 teams, with no baskets conceded. Our red team also performed amazingly well, losing out on a game in the final by only one basket. Team white now go on to represent the Partnership in the Teesvalley Finals later this month. Well done to all involved!

Internet Safety Training - You might be struggling to keep up with the things your child is doing online, you might wonder what they are doing is safe, and you might also be thinking how can I be as good a parent online as I am offline? As a result we invite you to attend our annual Internet Safety Training Session with Simon Finch on Tuesday 23rd January 2018 10:30am - 11:45am. You are also invited to an 'Online Safety' talk by Sgt Stephen Williams -Reader from Cleveland Police on Thursday 8th February. The content of this is aimed towards Y5 and Y6 children's transition to Secondary School, but the talk is open to all Parents and Carers. Information has been sent home with your child and reply slips should be returned to school as soon as possible.

School Clubs - At the end of last half term we started a new system to sign children up to extra-curricular clubs. You will now receive an email to let you know when a club is open for your child to attend. To sign up you must click on the link (or type the link into your search engine) and complete the sign up form. Alternatively you can log into Parent Pay and sign up by navigating to the communications section. You will then receive an email to confirm your child's place. If the club is full your child will be placed on the reserve list and you will receive an email to confirm this. If a place becomes available you will then be informed. Please note that the date shown along side the club name is the END date.

Wish Tokens - We will be collecting Wish Tokens this year again, please could hand your wish tokens to your year group teacher or bring to the Main Office.
