

Too Hot To Handle

On October the 5th and 6th, the Year 2 children were lucky enough to be treated to a visit to the local Grangetown Fire Station.

Inside the classroom (back at Normanby Primary School), the children have been learning about the Great Fire of London which occurred way back in 1666.

Outside the classroom, they have been treated to a special day, all thanks to the Grangetown Fire Station crew. The trip, organised by Mrs Miller, Mrs Foden and Mrs Greenmon saw the children:

have a tour of the station, sit inside a real fire engine, receive tips on fire safety and most the favoured part of the day... a chance to use the equipment!

One student from Year 2 had happily quoted that: 'We watched a fireworks safety video and soaked all of the back of the fire station with the fireman's hose... I loved it!'

Magnificent Multi-Skills

A big well done for the Year 1 and 2 students who took part in the Multi-Skills tournament last week, on Friday the 7th October. When asked by Normanby News, Mr Robinson stated that:

'The whole group worked really hard in this fun event!'
