Wandering Wolf!

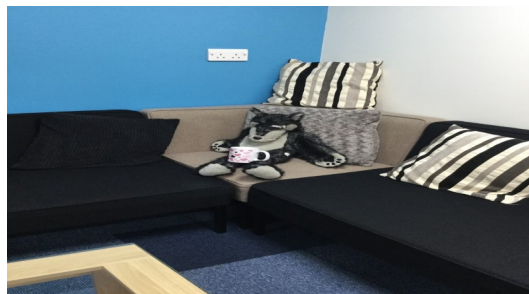

On Monday the 17th October, Mrs Tyreman asked Normanby News to report a strange disappearance that had occurred in Foundation Stage this week.

Mrs Tyreman, explained that the lone Wolf has been moving around school and causing havoc. In an exclusive interview with the children, (from the FS class) they had stated that they were:

‘Very upset and would hopefully be able to find the Wolf very soon’.

Rumours have spread like wildfire, as to where the current location of the animal is. Pictured right and below is some extremely strong evidence that the Wolf is either lost or having quite the adventure. Can you recognise some of these locations? The following pictures are real! Please keep an eye out for the Wolf, if seen can you report the beast’s whereabouts to Mrs Tyreman and her FS class.

How well do you know? Mrs. Foden.

What would be your dream car? **I wanted a mini, although I now realise I won't be able to fit a car seat in for my little boy, so a Range Rover will do!**

What is your favourite food?

Sunday dinner, I love Yorkshire Puddings.

What will you be doing whilst you're off?

Spending lots of time with my son, going on a trip to York and spending lots of time with my family.

What is the most embarrassing moment of your career?

When a pupil said 'my grandma has that cardigan'

...I'm not a grandma.
