## Gymnastics Glory!

Last week, Normanby Primary hosted a gymnastics competition within the hall. The competition saw nine teams in total compete. Our gymnasts did an incredible job and sealed the winning place and even the runner-up position. The mighty Normanby had worked hard all afternoon and defeated a handful of schools from the local Redcar and Cleveland area. A massive congratulations to all of our gymnasts who took part in the competition!

## New Nursery!

As you may have noticed, Normanby has recently made some very large changes (especially in our nursery). After many months of building work the final project has been finally complete. Children and staff have been able to enjoy the new classroom area since the 31st of October. The Normanby News team spoke with staff and students earlier this week about what they thought of their new surroundings:

'Yes we love it, it's nice, clean and fresh!'

After speaking with Mr. Faulkner the Normanby News team also found out that the new project had cost over a whopping £34000! Wow!

**COMPETITION TIME!** Mr Faulkner has set a challenge to all Normanby students! The Normanby News team are in desperate need of a new logo. All designs are welcome and all entrants will be judged by a panel (of Normanby News students), the winner will receive a £10 book voucher! Logo designs must be handed to Mr Shallow on a blank, plain A4 piece of paper by Friday the 2nd of December... Good luck to you all.

## How well do you know? Mr. Drage

What is your favourite food?

*Mrs Drage's homemade lasagne*

What has been your most embarrassing moment at school?

*Sometimes in class I think I'm singing in my head but then I hear the sniggers from my students in the classroom.*

What is your favourite subject to teach?

*Maths, however I didn't like it at school*

Do you like football?

*I don't like football... I love football.*

What would be your dream possession?

*It would be to own Nottingham Forest Football Club, at the moment they're rubbish... I must be able to do it better.*
