

'Feelgood' Friday

Normanby
Primary School
20th April 2018

Y4 Residential - The Year 4 children had a fantastic time on their residential at Cote Ghyll, Osmotherley. The children participated in a variety of fun and challenging activities including; climbing, canoeing, bush craft, shelter building, night walk and of course, the famous waterfall abseil! We are so proud of all of the children for being excellent representatives of Normanby Primary School, and for trying their best at each activity, lots of which were new experiences.

Y2 Multi Skills Festival - Yesterday, Y2 travelled to a multi skills festival at Middlesbrough College. The children took part in three activities, Gymworld, Olympic games and team games. They showed a range of skills including technique, agility and pace. The children worked amazingly in teams, and they all encouraged each other throughout the afternoon.

It was a fantastic session, and every single child participated fully with a big smile on their face!

Mellors Parent Consultation - Don't forget that next Tuesday 24th April, you have the chance to meet with our catering provider, Mellors Catering. This gives parents/carers, the opportunity to discuss school dinners. We hope to see you there!

Health and Safety - For the health and safety of all children on the school grounds, children are asked NOT to ride bikes and scooters on the school site. They are also asked not to climb on any equipment within the school grounds.
