

NORMANBY NEWS

Sports Activities

Cross Country

On Thursday 26th September, 59 children from Normanby Primary School attended a sports partnership cross country competition at the Rugby Club in Redcar. Cross country is a running event in which runners compete to complete a running track. Cross country may take place where there is grass, mud, woodlands, hills, flat ground and water.

My fellow news reporter Oskar interviewed a runner who ran 2 laps of the rugby club in Redcar. The runner really enjoyed this opportunity and raced against other children from schools in the area and came 3rd!

Charlotte from Y5 said she came 7th out of 100. Year 5's completed 1 and a half laps, Year 6's, 2 laps and Year 3's and 4's did 1. Charlotte loved it and said she would definitely go again.

Tag Rugby

On two consecutive Thursdays, Y5 and 6 children attended tag rugby competitions. The boys tag rugby competition came 1st, 2nd and 3rd and the girls tag rugby teams came 1st, 1st and 3rd. Well done to everyone involved and a big thankyou to the

P.E. team for organising competitions for us!

FS2 Funky Monkey

FS2 attended a funky monkey festival in Redcar on October 2nd and took part in lots of multi-skilled games.

The children loved it!

Play leader training

Lots of year 5 and 6 children went to playleader training on Wednesday 9th October to learn how to deliver games at break and lunch times. The children came back full of smiles and ideas!

Exciting events!

McMillan Coffee Morning

On Thursday 26th September, Normanby Primary school held a Macmillan Coffee Morning. Pollyanna, who is a Y2 student, requested to do Macmillan coffee morning and baked some yummy cakes. She even organised it all by herself! The Year 2 team, asked the parents to bake some delicious cakes and to bring some donations in. Everybody brought in lots of fantastic, delicious cakes. Y2 sold all of the cakes and raised £107.15 for the Macmillan Coffee Morning Challenge.

Normanby Bake Off

The reason we had a Normanby bake off is so we could raise money to upgrade our science workshop at school. We raised money by selling lots of homemade cakes in the theme of War and Peace. There was about 100 entry's and at the end of the day there was 100s of parents, carers and grandparents that came to buy all the delicious cakes. There was one winner from the category made by a child and a cake made by an adult supporting a child.

Y2 Fire station

As part of Y2's topic of the Great Fire of London, the children created their own house in school using boxes to make their very own pudding lane. The children were lucky enough to visit Grangetown fire station where Miss Young got to dress up as a firefighter and pudding lane was set on fire.

School curriculum

We have had a very exciting school curriculum this term!

Y6 Rydale

On Tuesday 8th October, Y6 went to Rydale dressed as evacuees. The purpose of this trip was to experience the life of an evacuee for their WW2 topic where they are writing a letter as an evacuee.

Y3 Captain Cook

On Wednesday 9th October, Y3 visited Stewarts Park to visit the Captain Cook birthplace museum, to help the children to learn about how our local area has shaped the way Australia is today, by exploring his early life, voyages and why he was a sailor.

Meet the staff!

Miss Jeffels is a new member of staff to Normanby Primary School who is currently working in Year4. Our Normanby News team of Joseph and Erin interviewed her to find out more information!

What exciting things have you been doing in Y4: Ancient Egyptians - building pyramids, mummified and preserved objects.
Favourite part: Egyptian crowns, looking at media and putting on our heads using iPads, internet and art medias.
